

## Event FAQs:

### ❖ Helpful links

- [WA State Mental Health Summit Website](#)
- [Directions to the UW Husky Union Building](#)
- [Map of the University of Washington Seattle](#)

### ❖ Event app: Whova

The Whova event app is free for event attendees. To download the app, please follow [these instructions](#). The agenda, attendee list, and panelist and presenter bios can all be found on the app. There will also be some audience participation via live polling and surveys throughout the day using the app, so we highly recommend downloading it before the event and encourage you to fill out your profile.

### ❖ About the UW HUB

The UW HUB is a LEED (Leadership in Energy and Environmental Design) building. LEED certification is a globally recognized symbol of sustainability achievement. LEED buildings save energy, water, resources, generate less waste and support human health.

### ❖ Dress code

The dress code is business casual. Due to LEED building codes, heating and cooling can be slow to adjust. We recommend wearing layers!

### ❖ Parking

Go to any campus parking booth ([gatehouse](#)) to get a parking permit. Display your permit face up and visible on your dash. [Padelford](#) and the [Central Garage](#) are the closest parking lots to the HUB.

### ❖ Meals and Refreshments

We will serve a continental breakfast and a salad lunch buffet. Coffee and water will be available throughout the day. Attendees with dietary restrictions should plan to supplement on their own. Vegetarian and vegan options will be available.

### ❖ Wifi

Free wifi will be available. Connection info will be given in the event program.

### ❖ Donating to the mental health summit

If you're interested in supporting the work of the Washington State Mental Health Summit, please donate to the [Chad Crooks Memorial Fund for Psychiatric Research](#). The 2017 and 2018 Summits were largely supported through individual donations – we can't do the work without your support!
