

## TOGETHER, WE CAN IMPROVE ACCESS TO EFFECTIVE MENTAL HEALTH CARE

On November 2nd, 2023, leaders in education, business, policy, health care, academia and philanthropy will come together to discuss innovative ways to transform mental health care in Washington State. There, attendees will have the opportunity to join initiatives in ongoing work and aid in the realization of these innovations. Hosted by the UW Medicine Behavioral Health Institute and supported by Chad's Legacy Project and the UW Department of Psychiatry and Behavioral Sciences, the 2023 Washington Mental Health Summit is a continued effort that began in 2017.
