2018 INITIATIVES

- Perinatal mental health
- Promoting mental health literacy for youth
- Building capacity of school leadership
- New licensure programs in behavioral health
- First episode psychosis and family support
- Scaling the Clubhouse model
- Mental health and technology

SAMPLING OF ACCOMPLISHMENTS

- Trained 80 people in strategic mental health school leadership with plans to increase capacity to 150 next year.
- Conducted focus groups with 60 families to understand their needs when loved ones with First Episode Psychosis have been hospitalized.
- Partnered with Boeing to pilot same day access program to mental health professionals.
- Trained over 400 pediatricians, nurse practitioners, obstetricians and family physicians in perinatal mental health care who see thousands of patients/month.
- Placed and supported 73 Clubhouse members with serious mental illness into evidence-based supported jobs in the last year.
