

## TOGETHER, WE CAN IMPROVE ACCESS TO EFFECTIVE MENTAL HEALTH CARE

Leaders in education, business, policy, health care, academia and philanthropy will come together on May 17, 2022, to discuss innovative ways to transform mental health care in Washington state. The event is currently planned to be a hybrid of in-person attendance with an option for online streaming. Hosted by the Behavioral Health Institute at Harborview Medical Center and supported by Chad's Legacy Project, the 2022 Washington Mental Health Summit is an initiative that began in 2017. ### OUR VISION

The Washington State Mental Health Summit is an inclusive forum for stakeholders around the state to develop, share and advance new and promising ideas. This includes opportunities and collaborations that will advance effective education, prevention and care for Washingtonians living with mental health and addiction problems. The event is open to any mental health stakeholder interested in participating in the improvement of mental health care in Washington state. Together, we will help people access effective mental health care so that all Washingtonians can thrive — please join us!

### PARTNERSHIP TO SUPPORT OUR COMMUNITY

**We invite you to play an important role in changing the landscape of mental health care in Washington state by underwriting the 2022 Summit.** As an underwriter, you will help lead the charge in transforming the way mental health care is provided in our community and beyond. You will also receive acknowledgment during the live event, on our website, in emails and on social media, reaching thousands of mental health care stakeholders.
